

Suggested grid for planning and/or recording EHE provision

- You may wish to use the following grid to help plan what to include in a programme of education for your child. There is no expectation to fully complete this in each section, and feel free to change the timings. It is simply intended to help evidence a suitable education over a calendar week of 20+ hours – and also reflect the flexibility of EHE provision over a full week.
- Instead, or as well as, you may wish to use the grid to record what your child has achieved as part of the EHE provision delivered.

Week beginning:	8am-10am	10am-12pm	12pm-2pm	2pm-4pm	4pm-6pm
