Other Agencies Involved

Name:	Role/ Organisation:

Is the child or young person meeting age related expectations in the following areas?

Academic:		Social Interaction:	
Behaviour:		Engagement in Learning:	

About the child or young person:

Outline the **strengths and interests** of the child or young person and areas where progress have been made:

--

Autism Outreach provides support to **school staff** for the following areas of need:

- Anxiety / Emotional regulation
- Sensory processing
- Social understanding and communication
- Flexibility, information processing and understanding

Outline the **key areas of concern linked to the above:**

Please indicate if you have completed the following activities:

Please tick:

Used the Graduated Response document to improve provision.

Identified an Autism Advocate within your setting who has accessed AET training.

Carried out an Environmental Audit from the Derbyshire Sensory Processing Needs Toolkit.

Created a Sensory Plan for this child using the Derbyshire Sensory Processing Needs Toolkit.

What current **autism specific strategies** are in place to address the difficulties listed above?
(Please attach a provision map, if possible)

Please tell us about any **experience or training** staff in the school have had in relation to autism:

What are your **priority outcomes** for the child with the support for the **school** from Autism Outreach?
